

<p>THE STAR LIVERY STABLES.</p> <p>The Star Livery Stables of Mr. B. F. Pickett, is one of the landmarks of Soranton and it is a noticeable fact they are now being fitted up, cleaned, whitewashed and otherwise put in order as though no financial depression had ever been felt in our community. Through all the financial vicissitudes of the past seventeen years the Star Livery Stables have never varied in price, except in conformity with surrounding circumstances, and these prices have always been uniform without respect to persons. Good horses, nice comfortable buggies, neat and clean offices, warmed by stove in winter, prompt attention night and day, characterize the Star Livery Stables. Mr. Pickett has now, in connection with his stables a nice glass enclosed hearth, as nice as can be had in any country town, which he has fitted up so that our people may enjoy the luxury of a decent burial. With these reflections it must be seen that this institution is a public benefit, and deserves the support of the citizens.</p> <p>Drink Keystone Rye Whiskey, a pure, unadulterated whiskey, free from headaches.
